Wanpan heating
panels installed
on board ships

Nattergalen. Canal Tours are doing sight seeings in Copenhagen harbor. Wanpan is installed on the benches. "Nattergalen" is used during Winter

Saga Queen.
Conference ship
in Copenhagen
Harbor.

Elpan is
installed in all
saloons.

Sailing ship heated with Wanpan to provide heat all seasons

Mail from
sailing ship
owner

Hello Wanpan. The system has run for a couple of months [...] It runs perfectly and it provides a continuous warmth in the whole boat, while also being discreet. All in all a good solution.
Sincerely, Jakob - Copenhagen Harbor.
